So, my lord, king ,will find ,if these strands are each stretched to the ends of the Earth, the centre is, at this very spot. So, the king was very happy.

Now I count the stars in the sky and the hairs in the skin, I find that the stars in the sky, are more in number than the hairs of this leopards skin. “Again the king accepted it”.

“Now I walk in to the sea. First the water reaches my knees, then my waist, deeper until even the top of Adams peak, couldn’t show above it. The king was happy. “Now answer my fourth question. What am I thinking at this moment” said the king.
